To Whom It May Concern,

I have had the pleasure of using Austin Landscapes Pty Ltd for my retaining wall and concreting needs on my residential sub-divisions of late.

I have found his attention to detail and swift execution in construction to be a real benefit in delivery of first class works to clients on time.

I have found dealing with Adam a trouble free task and due to this I have also trusted him with the construction of retaining walls and driveway at my home.

I have only good things to say about the team at Austin Landscapes Pty Ltd and have no hesitation to use their services again. In fact I plan on it.

Kind Regards,
